## SILVER SUMMIT™

Silver Summit is a fresh, modern neutral that presents an appealing mix of pewter and bright cloud gray tones with accents of chalk, ivory and bone to add a sense of textural luster. *Available in LedgeStone and Fieldstone.*

## MINERAL RIDGE™

Mineral Ridge presents a warm neutral that blends ashen grays and earthy browns with lighter sand and cream tones to offer a natural aesthetic perfect for rustic spaces. *Available in LedgeStone and Laurel Cavern Ledge.*

## STEEL VALLEY™

Steel Valley brings a dark neutral that grounds spaces through a rich union of steel and carbon with undertones of smoke and slate, alongside light accents of rust. *Available in LedgeStone and Laurel Cavern Ledge.*
